WORK EXPERIENCE

PHP Developer (2 Years) Sharesoft Technology

08/2022 - 08/2024

Madurai

Achievements/Tasks

- Developed and maintained web applications using CodeIgniter and Laravel frameworks.
- I have implemented the process of database migrations in CodeIgniter, which involves transferring all data(whole website datas, images) from the old site to the new site.
- Designed and implemented RESTful APIs for seamless communication between front-end and back-end systems
- Integrated and managed payment gateways such as PayPal(Direct Credit Card) , Authorize.net, and Stripe to facilitate secure transactions.
- Successful integration of social media links, such as Twitter and Facebook and Google Analytics for enhanced social connectivity in web applications.
- Collaborated with front-end developers to create dynamic and responsive user interfaces.

PROJECTS

Iboost Healthcare

(link:<https://www.iboosthealthcare.com/>)

- I have developed a project using CodeIgniter for the backend, incorporating payment integration like Paypal(Direct Payment Method) . The technologies utilized in this project include HTML, CSS, JavaScript, and CodeIgniter.

Rooterman(link:<https://www.rootermanla.com/>)

- I have developed a project using CodeIgniter for the backend, incorporating Database migrations. The technologies utilized in this project include HTML, CSS, JavaScript, and CodeIgniter.

Ecommerce(link:<https://github.com/Indhuupriya/ecommerce>)

- Developed a complete simple e-commerce platform using Laravel, handling both front-end development with Blade templating, HTML, CSS, and JavaScript, and back-end integration of secure payment gateways (PayPal, Stripe).

Social Media Integrations(Google Analytics, Facebook, Twitter, Autoreview, Servicetitan)

- I have integrated third-party APIs (REST APIs) for social media integrations, and I have also implemented features to handle social media interactions from our website.

ACHIEVEMENTS

1. Attending Seminars
2. Passed Type Writing - English(Lower).

LANGUAGES

Sourashtra
Elementary Proficiency

Tamil
Full Professional Proficiency
